

**A DIFFERENT WAY
OF TEACHING
FOR A DIFFERENT WAY
OF LEARNING**

AT CHATHAM ACADEMY

we provide an individualized learning environment for children with Learning Disabilities and ADHD.

WE SUPPORT OUR STUDENTS

fostering independence and confidence by helping to improve academics and success beyond school.

WE ENCOURAGE GROWTH

through experiences and the opportunity to participate in extracurricular activities such as sports, music and art.

**Savannah's *only* school
for children with
Specific Learning Disabilities**

Chatham Academy is dedicated to meeting the educational needs of children with learning disabilities, attention deficit hyperactivity disorder, and similar learning differences.

Chatham Academy welcomes students without bias of sex, age, race, ethnicity, nationality, sexual orientation, gender identity, or disability.

CHATHAM ACADEMY – HELPING CHILDREN SUCCEED

ABOUT US

Chatham Academy was founded in 1978 to address the academic and social needs of children with learning disabilities.

Students work in an individualized, small group setting where the curriculum provides opportunities for each child to be challenged and to excel. Our daily program also reflects concern for the social and emotional growth of each student.

Teachers use a variety of language-based and multi-sensory teaching methods to make learning accessible to every child.

Our goal is to help each student reach their learning potential.

ADMISSIONS

Applications are accepted throughout the year, but slots may be filled by early summer.

Our educational approach is tailored to fit the students we accept.

Please contact Carolyn Hannaford to schedule a visit and receive an application.

FINANCIAL AID

Financial assistance is available; awards are needs-based.

OUR CURRICULUM INCLUDES

Basic & Perceptual Skills that promote language development and build on success.

Structured Reading Programs: Lindamood Bell, Orton-Gillingham, and other multi-sensory methodologies for dyslexia.

Technology: Assistive and current technology incorporated into classroom settings.

Art Program: Includes watercolors, crayons, perspective drawing, ceramic arts and mosaics.

Daily Physical Education Program: Sensory motor skills development, sports, teamwork and sportsmanship.

Ecology & Economy of Coastal Georgia: Study units include bird identification, job opportunities in coastal GA, fish anatomy, and native plants.
